

## Job Description: Mental Health Clinician - Licensed

Welcome to our group practice! We are looking for licensed clinicians to join our group practice as a 3/4 time' employee.

We are looking for the right fit and the perfect someone who ...

Has completed their master's or doctoral degree.

Has a knowledge of counseling or clinical psychology.

Wants to work on a great team of clinicians and administrative professionals.

Is licensed to practice.

Wants to collaborate and consult with others. Dropping knowledge!

Wants to see clients in our office as well as work remotely. This includes in-person sessions in the office and telehealth either from our office or from a remote location (home).

Why you should consider working with us ...

We value each other and our clients.

We are committed to helping you learn and grow as a clinician and welcome your input. We value discourse and conversation, not micromanagement and repression.

We are a smart, fun, diverse and kind group of individuals.

We will take care of the business of being a therapist while you work with your clients.

We have reception, billing and administrative rock stars on our team. We have a supportive fun team environment.

We have ongoing training and a CE library.

We work with folks who need help now.

We are seeing clients in person!

We offer benefits, training and collaboration.

We offer a flexible hybrid schedule. We close to clients appointments at 3pm Fridays.

We truly love the field we work in and we hope to have some fun along the way! Mental health can be tough on us as well. We want to build a collaborative team that continues to evolve.

### The Job

Individual therapy, family therapy, couples therapy and group therapy with adolescents and adults. It is not a requirement that you do all of these; these are therapy options.

We leave you the option to create a group.

Complete assessments, diagnose clients, complete treatment plans and complete progress notes in a timely way.

Attend training to help you expand your knowledge.

Crisis management. Manage your clients' crisis situations and help your colleagues in a crisis.

Be part of our team.

### Requirements

Be licensed as an LPC, LCSW, LMFT, PsyD or PhD in the State of Oregon.

Have a working knowledge of the DSM.

Have the ability to work independently.

Be honest and ethical and have good character.

Have good communication skills and be relatable and curious.

Have critical thinking skills and good clinical judgment.

Be reliable and have timely attendance.  
Have word processing / computer skills, time management skills and clinical writing skills.  
Have good clinical counseling skills.  
Have the ability to work on a team, be able to give and receive feedback constructively and have good emotional regulation skills.  
Be able to develop rapport, have some flexibility and like dogs (or cats).  
Attend meetings and training.  
Pass a background check.  
Be vaccinated against COVID 19 to see clients in person.  
Be able to get to our offices. We have two locations, one in Tigard and one in Sellwood.

### Benefits

We pay for attendance at meetings and training.  
We provide a robust CE library.  
We provide training to help enhance your skill set.  
We provide clients to build your caseload. We do not ask you to provide your own clients.  
Paid scheduled peer consultation.  
Our clinical session rate is \$55 per hour / session to start.  
Our contract requirement is 24 clinical hours for a '3/4 time' position. Paid time off. Sick leave included in PTO plan.  
Unpaid time off.  
We pay your liability insurance.  
We do the marketing for you.  
Very important! We have the BEST admin support so you can focus on the clinical aspect of the position. This might be one of the best benefits of the position.  
Dog friendly office.  
Snacks available in the office.  
Spa membership.  
Hybrid work environment.  
Flexible work schedule and a calm work atmosphere.  
We offer a retirement plan and 2% match.  
Health insurance (medical, dental and vision) to '3/4 time' employees; begins at 18 clinical hours weekly.  
We do some group outings and get togethers as a team.

\* '3/4 time or full time' for our practice is 24 clinical hours per week.

As our practice expands, so do our benefits.
